Hi, Alan,

Nice talking with you this afternoon. I understand you will be speaking with your editors about how you would like to proceed with this PRA request. We will wait to hear from you before we take further action. Our next steps would be to put together a cost estimate for you. Just let me know how you would like to move forward.

Have a great weekend!

Charity

Hi, Alan,

I will give you a ring tomorrow about your request. Or, feel free to call me at a time convenient for you. In the meantime, I wanted to draw your attention to a very similar public records request recently made by Liam Elder Connors. You can find his request and related correspondence on the AG's website here: <https://ago.vermont.gov/2021-vermont-attorney-generals-office-public-record-act-requests-and-responses/> As you can see, Liam's request was narrowed and we have provided a cost estimate. I haven't yet heard whether he wishes for us to move forward with the request.

Thank you.
